-----	-------------------------

• Centre of Excellence on Financial Market

Financial Markets play an important role in the overall economy development. The major objective of the centre is to encourage literacy, awareness and research in the diversified areas of finance and economics through undertaking research activities, publications, conducting certification programmes and various FDPs and webinar.

• Centre for Human Values & Business Ethics [HVBE]

The Centre for Human values & Business Ethics [HVBE] starts with the sentiment of civic sensitivity where Students, Academicians, Industry Experts, Scholars can join as a voluntary member and be ready to contribute innovative concepts related to Human Values with its sketch to shape the dimensions of attitude, commitment, motivation, perception and leadership skills that are essential characteristics to restructure human behavior. From its very inception, the centre is devoted to unite individuals with organizations for a common cause for the benefit of the society.

• Centre for Digital Marketing

CBS Centre of Excellence in Digital Marketing stresses on delivering theoretical knowledge and using the platforms in the form of organizing conclaves, competitions, webinars, and also encourages its faculty members and students in exploring new vistas of enriching digital platforms through their thoughts and actions.

• Centre for Entrepreneurship & Private Equity

An individual who creates a new business, bearing most of the risks and enjoying most of the rewards is an entrepreneur and the process by which the business is set up known as entrepreneurship. In Calcutta Business School, there has been a constant effort to create entrepreneurs through regular training and developmental programmes, through workshops. We also have a tie-up with NEN (National Entrepreneurship Network), Wadhvani Foundation where students are motivated to learn, create Projects and present in the presence of esteemed panelists.

ADDITIONAL FEATURES OF CBS

NEN

Calcutta Business School has tied up with NEN (National Entrepreneurship Network) under the leadership of Dr Romesh Wadhvani, Founder and Chairman who strongly believes in not-for-profit with the primary mission of accelerating economic development in emerging economies by driving job creation in India and other emerging economies through large-scale initiatives in entrepreneurship, small business growth, innovation, and skilling.

NSE SMART STIMULATION

CBS follows a practice-oriented approach in its teaching pedagogy. To give more impetus for real-life decision making, simulation & experiential learning has been made as an integral part of the courses. In line with the participant-involved learning process, CBS has tied up with NSE Academy as a collaborator. We offer stock and derivatives market operation through a stimulator system offered by NSE.

INCUBATION CENTRE

Calcutta Business School has set up an Incubation Centre, jointly with NEN, Wadhvani Foundation, to promote young generation entrepreneurs to ideate, create and develop business. Since the world has now become a global market, we at CBS always encourage our students and budding entrepreneurs to create a difference through our Incubation Centre.

COUNSELLING LAB

The unique feature added to Calcutta Business School in this present dimension is Counselling Lab which is a blended form of psychometric test, behavioral counselling and testing of psycho-motor movement. This lab will be of immense help towards psychological mapping of the young talents who are tomorrow's budding managers. Moreover, this lab will be instrumental in different MDP Programmes across industries for training, attitudinal scaling and cognitive therapy.
